____ **Please check mark that you understand and will adhere to the requirements below.**

The SkillsUSA emblem or official logo in its entirety or elements of either cannot be used in the pin design. NO AI-generated or clip art of any kind is permitted to be used (royalty free or otherwise) in full or as a part of the design. To the greatest extent possible, all design work must be the original work of the competitor.

____ **Please check mark that you understand and will adhere to the requirements below.**

If a design incorporates elements that are trademarked by a company or organization or otherwise protected by U.S. Copyright Law, express written permission on official company letterhead from the copyright holder must be obtained by the competitor and must be presented to the contest chair at the orientation meeting. Failure to provide such documentation (if needed based on the contestant's design) will result in a point deduction of up to 50 points.
