

## How to access the National Technical Standards

- ✚ Go to SkillsUSAPA.org
- ✚ Select Advisors / Select Absorb Link (Green box)
- ✚ Login to Absorb (*Only Professional Members can access the Technical Standards – you will receive an email with your Enrollment Key when you register on the National Website as a member.*) You must create an Absorb account. It will request your Enrollment Key when you create your account.
- ✚ Scroll and select the large green rectangle on the left. Professional Member Benefits (including technical standards)
- ✚ Select Professional Membership Benefits
- ✚ Select Technical Standards
- ✚ Choose between Skilled, Related, and Leadership

This is access to the NATIONAL Tech Standards. STATE COMPETITION will follow a STATE SCOPE that will be provided prior to State Competition. They will be located on the State Site under the tab States/Contest Scopes. The exception is Leadership Competitions. We use the National Tech Standards unless informed otherwise.

Nationals informed us the 2022-23 Technical Standards will be available on **October 10<sup>th</sup>**.
